2. What must we, the guilt - y feel
3. Help us, Ma - ry full of grace,

1. Stood in an - guish at her place;
2. As be - side the Cross we kneel?
3. To look up - on His suf - f'ring face;

1. Stood e - rect be - neath the Cross,
2. Ours the voic - es of the foe,
3. Then may we clos - er to thee move,

1. Close to Him Who died for us.
2. Ours the hand that struck the blow.
3. And learn to look up - on His love.
